

ORGANISER'S INFO/BULLETIN
DD2/DD2 Masters

It is allowed to buy 1 extra set of wet tires for Sunday.

Further more:

Warm up

- Each competitor is obliged to use a set of scanned tires.
It is not allowed to go out on new slick tires.

As written in the regulations, you can use also your scanned slick practice tires from Friday.

Wet race conditions in Superheat:

- In case a competitor decides to go out on slick race tires in the Super Heat, this set has to be new.

No wet race condition in Superheat:

- Each competitor is obliged to race on a new set of scanned slick tires.

Those slick tires must be dismantled after the Superheat and the set will stay in Parc Fermé.

Wet race conditions in the Final:

- In case a competitor decides to go out on slick race tires in the Final, he must use the set which is already in Parc Fermé.

No wet race conditions in the Final:

- Each competitor is obliged to race with the slick race tires in the Final, which are already in Parc Fermé.

Tire vouchers for the extra set of wet tires can be bought on Sunday 24/3 between 08:00 and 08:30 in the shop.

Tires can be picked up on Sunday 24/3 between 08:30 and 09:00 at Parc Fermé.
