BNL Karting Series – Technical Regulations 2024

6.11 Fuel Pump, Fuel Filter

Per request of the supplier (Rotax), for this event only, for 125 MAX DD2 only

It will be allowed to use the new fuel pump system provided by the supplier (Rotax) obtained via the organiser (BNL Karting Series), prepared and pre-assembled. Other or similar new pump systems not obtained via the organiser, or modified and not documented in in the technical regulations are not allowed.

For the avoidance of doubt the usage of this new fuel pump system is not mandatory, the current fuel pump system as documented in the technical regulations remains valid, and remains the responsibility of the competitor.
